

WANTED

The next wave of innovation and success in the converging media, entertainment and technology landscape will be driven by those who dare to be BRaVe. At BRaVe, we're looking for creative minds, problem solvers, and those who share a passion for media, entertainment, and technology.

BRaVe Ventures is seeking **MBA candidates for spring semester internship positions** focused on the following areas:

Media, Entertainment, and Technology

- Strategic Advisory / Consulting
- Industry Research and Thought Leadership Development
- Start-up Investing
- Start-up Incubating
- Creative Services (supporting above functions)

WHO IS BRaVe?

BRaVe Ventures is a strategic advisory and investment firm that specializes in the converging technology, media and entertainment [R]evolution. We have three business lines:

- Strategic Advisory
- Investment
- Content & IP Development

BRaVe Ventures was founded by three of the leading minds three within social / digital media, technology and investing – Gary Vaynerchuk, David Beck and Jesse Redniss.

THE TASK AT HAND

You will be working across our business lines to help us advise, invest and incubate.

- In our **strategic advisory** business, you will be driving change across the industry - clients range from the incumbents to the disruptors in media, entertainment, technology and consumer brands.
- In our **investment** business, you will be evaluating deals and working directly with entrepreneurs to accelerate their businesses.
- In our **content and IP development** business, you will help take ideas and transform them into real IP - from TV show pilots to technology platforms.

PROJECT EXAMPLES

In past semesters, MBA interns have worked across a wide range of projects covering the media, technology and entertainment space. Projects have included:

- MCN Industry Assessment
- eSports Industry Assessment
- Accelerator / Incubator Models
- Brands as Media Companies / Content Creators
- Deep Dive on Millennial / Gen Z Content and Consumption Habits
- Deep Dive on Aggregated, Multi-Platform Insights and Analytics Companies
- Upfront / Newfront Coverage and POV's
- Support Around BRaVe Investments

Ready to be BRaVe? How to apply
