

Career Support & Resources

Your CDO MFin & Finance Community pages

1) Key Monthly Events

Welcome to the Finance Community

The Finance Community is home for all MIT Sloan students interested in careers within the finance industry.

Stay connected to the latest information on finance careers across **capital markets, investment management, investment banking, private equity, venture capital, quantitative finance, corporate finance, fintech**, and more. All MBAs pursuing the finance track and all Master of Finance students are strongly encouraged to subscribe to this community.
